VOLUME NUMBER 89 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, MAY 13, 1948 | NUMBER 7

Seeks Re-Election

JOHN W. HAIRSTON

HAIRSTON ASKS SECOND TERM AS TREASURER

John W. Hairston, County Treasurer for Milam County, is a candidate for re-election to that office subject to the Democratic Primary to be held on Saturday, July 24.

In making his formal announcement for a second term Mr. Hairston is deeply gratified to have so many pledges of support and greatly appreciates the many commendations he has had from the people of the county for the manner in which he has conducted the affairs of the office.

The office of County Treasurer is an important arm of the county government. In his first term which he is now serving he has mastered all the details and duties required of him and his friends are pointing to his abilities and equipment by reason of this experience to serve the people with increased devotion and distinction in his coming term.

Mr. Hairston has been a resident of Milam county for many years, He knows the people well and fits well into their conception of the service they expect from those entrusted with high responsibilities.

Mr. Hairston has been on the job constantly since his election in 1946 and has kept his pledges to the people. He believes that he should give the people a day to day example of devotion to duty by transacting the business of the office in the traditional manner of all efficient and devoted public officials.

Mr. Hairston wants to have the pleasure of seeing the voters personally to ask their vote and support but if not given the opportunity he takes this means to asking for their support, pledging them that he will return to them in service full payment for the confidence a second term will imply.

As custodian of the various funds of the county he is happy to report that all accounts are in order and his office and the records are reflecting efficiency and entire devotion to duty.

Mr. Hairston will greatly appreciate your vote and support for a second term in the office.

E. M. WILLIE BADLY HURT EARLY SUNDAY

E. M. Willie lost his left arm above the elbow early Sunday morning in a car accident on the causeway across Little River east of the city.

Mr. Willie was returning to his home at 401 West 11th Street in Cameron. His car sideswiped a car driven by Clarence Hanel and the impact cut off his left arm. The arm was completely severed. He was rushed to St. Edwards Hospital and is doing well.

Mr. Willie's car also struck the concrete banister of the causeway and was badly wrecked. He had been visiting at the Arthur Belt Home during the evening of Saturday and it was shortly after midnight as he reached the bridge across the river.

Mr. Willie says that he may have fallen asleep temporarily and lost control of his car. Mr. Hanel was not injured but shaken up.

Mr. Willie is a brother of Mrs. Coy Arledge of Cameron and the son of Mrs. Emil Willie at 401 West 11th Street and the late Emil Willie.

He is a war veteran having served with the Army Air Corps in England during the late war.

HIWAY ENGINEER GETS RIGHT OF WAY PLEDGE

County Judge Dan Tyson has received a letter from DeWitt C. Greer, State Highway Engineer, acknowledging receipt of the commitment of the Commissioners Court for right of ways on Highways 77 and 36 through Milam county.

Judge Tyson revealed that an appointment has been scheduled for the Court and a delegation of citizens with the Highway Commission on June 1. The appointment, thought possible on May 31 is made a day later due to the heavy docket of the Commision on its first day of session May 31.

Following the meeting of the Commissioners Court on last Friday Judge Tyson, forwarded a letter to Mr. Greer together with a copy of the minutes of the Court pledging right of ways on 77 and 36 through Milam county.

Present for the meeting were Commisioners C. S. Raney of Buckholts, W. W. Markham of Cameron, Byron Neal of Rockdale and T. F. Locklin of Thorndale.

The commitment on right of ways contemplates the straightening and reconstruction of both 77 and 36 through the county and also a concrete bridge across Elm Creek north of Cameron.

If the Highway Commission follows the recommendation of Mr. Greer a survey of the right of ways needed will be authorized and John E. Blair of Bryan, District Engineer, will give details to the Court and at that time right of ways will be obtained. It is estimated that some 3 months or more will be necessary to bring the whole matter to a point of right of way getting .

This encouraging news is the most gratifying development in years in Milam county.

Judge Dan Tyson and the Commissioners are being highly praised all over the county for their quick response to the proposal of the Highway Engineer. The reconstruction of these highways will place Milam county back on the traffic map. While there is no estimate as yet of the probable cost of the rebuilding of the highways, it may involve from 2 to 3 million dollars. The only expense to the county is the right of way and since most of the present courses can be used the expense should be nominal.

DOWNPOUR SALVATION TO VAST AREA HERE

More than 3 inches of rain had fallen in Cameron and vicinity up to 10:30 a. m. Tuesday with the prospect that the fall might become a three and a half inch downpour.

The rain came with life saving benefits to all crops and ranges in central Texas and with especial benefit to tomatoe growers in the Sand country east of the city.

L. W. Smith, government observer at the Community Public Service Company, gauged the fall around 10 a. m. and the measure was 2 inches. It was said that the measurement might not represent the full precipitation. Heavy clouds rolling in from the west brought considerable wind but no damage had been reported up to noon. Stock water, low in many places was abundantly replenished.

The rainfall will advance crop growth to an approximate production stage especially corn and other grain crops. Cameron was drenched and topping sand that had been harmful to stores and stocks of goods was washed from the streets.

Cooler weather will prevail for the next 24 hours according to the forecast.

In a statement to The Herald at 11 a. m. Mr. Smith said he had measured the gauge earlier and that two and a half inches had fallen. Around 11 he estimated the fall to be 3 inches and would possibly show more as the rain continued to fall with diminishing volume.

COMMUNITY PARTY

Sharp High School will have a community party at the Gymnasium Saturday night, May 15 for the benefit of the Mustang Softball team. Music will be furnished by the Salty Swing Band and games will be called by Mark Lowery. The public is invited.

Frank Richter, Jr., Injured By Hose At Early Morning Fire

Frank Richter, Jr., fireman, was badly hurt by a fire hose early this morning when he reported following the alarm as the Milam Theatre and Palace of Sweets were swept by flames.

Richter was attempting to handle a hose through which water had been turned on from a pumper nearby. The hose struck him on the head and he was hurled across the street to a curb near the First National Bank.

He was unconscious for a short time and at first serious injury to an eye was feared, but it later reveloped that he would not lose sight. So far as known Mr. Richter was the only casualty of the morning as firemen battled for more than 4 hours to put out the fire.

Cameron Athletes Fare Well In State Meet In Austin

Two Cameron athletes, both Seniors at Yoe High School, fared well in the state finals in Interscholastic League competition Saturday in Austin.

T. J. O'Neill won first place in the 220 yard dash and was third in the 100 yard dash.

Laurence Michalka was high in the ranking in the poll vault with a tie at 10 feet.

Both boys were backfield stars on the football team in their Sophomore through Senior years and are among the all time great athletes of Yoe High School.

Elba Jean Colburn Is 3rd In Number Sense At State Meet Austin

Elba Jean Colburn of Cameron won third place for Class A schools in number sense in the state meet in Austin Saturday.

The literary events division of the meet brought some 500 participants to capital. Miss Colburn is a student at Yoe High School and has made an enviable record and all Cameron is proud of her showing in the state contests.

Sad Story to Relate; And Just Think We Took It From Indians

The old saying that "figures won't lie," may have acquired another authentication here. The fact that liars will figure don't shed much light on the deepening mystery of manual collapse in America. Some pessimist has given us a breakdown on the nation's work potential and here it it:

Population of the U. S.	135,000,000
Persons 65 years or older	37,000,000
Balance left to do the work	98,000,000
Persons 21 years or younger	54,000,000
Balance left to do the work	44,000,000
Persons working for government	21,000,000
Balance left to do the work	23,000,000
In the armed forces	10,000,000
Balance left to do the work	13,000,000
Persons in State and city offices	12,800,000
Balance left to do the work	200,000
Persons in hospitals and insane asylums	126,000
Balance left to do the work	74,000
Bums and others who won't work	62,000
Balance left to do to work	12,000
Persons in jail	11,998
Balance left to do the work	2

Final Tabulation 2: You and I! And you'd better get a wiggle on. I'm getting tired of doing all the work.

3.13 INCHES OF RAINFALL

CITY IS HOST TO SCHOOL CHILDREN

SOVIETS MAKE OVERTURES

RIVER RISING BUT NO FLOOD EXPECTED

Official report here Wednesday morning is that the ratnfall on Tuesday was 3.13 inches.

The river was rising rapidly by mid-afternoon but the waters may have been the results of flash floods over a small area. Main waters from the great water shed of the river have not reached the channel here.

The river was slightly above half banks Wednesday morning and slowly rising. No overflow is expected although the river may issue into drainways from the main channel.

L. W. Smith, of the Community Public Service Company, official observer for the Weather Bureau here, made a final measurement on the fall late Tuesday.

Heavy winds west of the city caused only slight damage to the corn crops. The rainfall was general over a wide area, lighter in some communities and heavy in some.

NEAL SEEKS 2ND TERM COMMISSIONER PREC. 3

Byron Neal is a candidate for Commissioner of Precinct 3, Milam County, subject to the Democratic Primary to be held on Saturday, July 24.

In announcing for a second term in the office Mr. Neal's announcement will be received with interest in all sections of the Precinct. He was greatly pleased to have the pledges of support from many friends and supporters who feel that he has served well and has carried out substantially all the pledges he made to the people.

Mr. Neal came to the office of Commissioner of Precinct 3 with a wealth of experience because he had years of experience in road building and maintenance. This resulted in great advantage to the people of the Precinct. Mr. Neal also was faced with many problems but despite the lack of adequate funds and equipment he has come through most of his first term with much accomplished and better prepared and equipped to serve the people in his coming term.

Mr. Neal's Precinct is a large one and maintaining the roads is a big job. One of his pledges which he has kept was that he would see that roads in every section of the district would be serviced. In doing this job in this manner he has brought the maximum results with funds available to every portion of the territory he serves.

As a member of the Commissioners Court Mr. Neal has applied good judgment and good business principles to the business of the county, has co-operated in every way with other members of the Court in matters affecting the county as a whole. He has devoted his full time to the interests of his Precinct, doing the job and his many friends point out that in his second term he will be able to show better results on roads.

Mr. Neal sincerely appreciates the co-operation he has received from the people of his Precinct and while he hopes to see all the voters he may not have the pleasure of asking each one for their support and takes this means of soliciting your vote.

One of the best recommendations that can possibly be made for his er-election is his record of service to the people of his Precinct.

Gets 30 Days In Jail For Check Swindle

Henry Niermeyer under recent indictment has entered a plea of guilty to swindling with a worthless check.

Niermeyer has been placed in jail to serve a 30 day sentence. His case was one of other similar cases disposed of in the court here.

He entered a plea in open court and the judge promptly fixed the punishment.

STUDENTS AND TEACHERS VISITING HERE TO-DAY

(From the Daily)

Picnic plans of two schools brought 26 students, 2 teachers and 7 sponsors to the city early Wednesday and the program for the day contemplated a round of interesting activities.

The big event is the picnic in Wilson-Ledbetter Park with their lunch and a tour of the city to follow.

The school students and their teachers and sponsors are being entertained under the Public Relations department of the Chamber of Commerce and L. G. Smith, manager, conducted the students on a tour of the places of interest.

They were to visit The Herald plant to see the afternoon edition of the Daily Herald run from the press and each student and sponsor was to receive a copy. Names of the students, teachers and sponsors were printed in the Wednesday edition.

The schools bringing students Wednesday are Watts Switch School, and North Elm School. Here is the list of the Teachers, Sponsors and Pupils of the schools:

WATTS SWITCH SCHOOL

Pupils

David Lee Krenek, Catherine Krenek, Maysell Reynolds, Emma Nell Koenig, William Koenig, L. C. Barkemeyer, Dwayne Jekel, Edmund Pimpler, Mercelina Reyna, Domingo Reyna, Deonicia Ambriz, Juana Ambriz, Pansy Loper, Genny Lee Loper, and Donald Ray Pimpler.

Teacher—Mrs. Josie Gibbs.

Sponsors—Mr. and Mrs. Edmund Pimpler, Mr. and Mrs. W. K. Koenig, Mrs. Irene Gibson, Miss Janie Krenek, Mr. and Mrs. Ed Jedlicka and Edwin Lee Pimpler.

NORTH ELM SCHOOL

Pupils

Raymond Garcia, Reuben Garcia, Pedro Rodriquez, Vlasta Ann Hrachovy, Bernice Hrachovy, Jo Ann Stevens, Joyce Elaine Stevens, Johnny Wayne Stevens, Billy Jistel, Frankie Kostiha and Manuel Garcia.

Teacher—Mrs. Sam Houston.

Sponsor—Mrs. C. E. Stevens.

COURT PLEDGES RIGHT OF WAYS IN COUNTY

The most hopeful step in years for highway construction in Milam County was taken here Friday morning by the Commissioners Court when that body pledged its co-operation to the State Highway Commission to secure right-of-ways needs on highways 36 and 77.

The court authorized a commitment to secure right-of-ways from Buckholts to Milano across Milam county on Highway 36 to straighten, reconstruct and improve this vital artery of travel. The Court voted to secure right-of-way on Highway 77 from Burlington to Falls county line and from Minerva south to the Lee county line through Rockdale.

Judge Dan Tyson called the court for an extra session at 10 a. m. Friday and Commissioners C. S. Raney of Buckholts, W. W. Markham of Cameron, Byron Neal of Rockdale and T. F. Locklin of Thorndale, were present, as were Conn R. Isaacs, county auditor, and Homer Nabours, County Clerk.

The action of the court was in response to a request from DeWitt C. Greer, State Highway Engineer, asking for a commitment on right-of-ways through Milam county. The plans also call for the construction of a new concrete bridge across Elm Creek north of Cameron.

The court voted unanimously to co-operate with the highway engineer in plans now in advanced stage to bring about these improvements, so long defered in this county.

Judge Dan Tyson was authorized by the court to transmit a letter,

TRUMAN CAUTIOUS ON PROPOSED CONFERENCE

Amid world-wide speculation over a Soviet-American "peace" conference, President Truman today issued a cautiously worded statement avoiding any commitment on the possibility of direct negotiations between United States and Soviet leaders.

He declared, instead, that the purpose of Ambassador Walter Bedell Smith's talk with Foreign Minister Molotov in Moscow May 4 was to clear away any "misconception or confusion in the minds of the Soviet government" about American policy.

First, that the United States will continue to promote "vigorously and firmly" its policy of aiding Western Europe and

Second, that "the United States has no hostile or aggressive designs" toward Russia.

Some of the President's foreign policy advisers, amplifying the American attitude on negotiations with Russia, emphasized that a primary requirement of any talks would be agreement beforehand on specific points to be discussed. They also said that any conference which involved the interest of other nations would have to include those other nations.

Generally, in fact, responsible American officials were inclined to discount the prospects for any early negotations between Moscow and Washington aimed at an over-all settlement of the "cold war." Several officials privately expressed the opinion to newsmen that there could be no such thing as an over-all settlement but only a series of settlements

BLAZE SWEEPS THEATRE AND PALACE OF SWEETS

Fire believed to have originated in the balcony of the Milam Theatre early Friday and spread to the Reno building housing the Palace of Sweets, took a damage toll variously estimated from $60,000 to $75,000.

Firemen battled the blaze for more than 4 hours with all three of the department's trucks and some 10 lines of hose.

Ralph Michalka, Fire Chief, said the blaze was one of the most stubborn in the history of the department and the fire was fought under most difficult circumstances.

Miss Myrtle Hinton of the Cameron Hotel, discovered the blaze from a window of her apartment in the same block. The alarm was turned in shortly before 6 a. m. Smoke from the Milam Theatre building was seen by W. T. Whatley, Jr., who was coming into town from his home east of the city. Mrs. Mollie Richter, operator at the exchange of Southwestern Bell Telephone Company and Mrs. Marie Moore, both on duty at the time the fire was discovered,

Harry Haraway's Western Auto Store Opens After Fire

Harry Haraway's Western Auto Associate Store is open for business.

Mr. Haraway opened his new store on Saturday morning following the fire on Friday that destroyed the Milam Theatre and the Palace of Sweets next door.

An explosion in the store blasted out the plate glass windows and damaged merchandise in the store but Mr. Haraway was back on the job Saturday morning.

He recently opened this new store, a new location, and has one of the finest auto supply stores in central Texas. On the eve of the fire Mr. Haraway advertised some striking bargains at his store and the people at large are invited to this big new store.

Dr. Gus Evans, Jr., Takes Up Practice Of Optometry Here

Dr. Gus Evans, Jr., has moved to Cameron from his previous practice, in Harlingen, to be associated with his father, Dr. Gus Evans, Sr., in the practice of Optometry here.

Dr. Evans was reared in Cameron and his return is appreciated by the people. He is a graduate of Southern College of Optometry at Memphis, Tennessee in 1939 and took post graduate work in Columbia University School of Optometry.

He was very popular in his profession at Harlingen and as a leader, having served among other assignments as a member of the Board of Directors of the Lions Club. Dr. Evans is a veteran of the late war, and artillery officer.

Mrs. Evans is the former Alice Treleaven, daughter of Professor and Mrs. C. L. Treleaven of New York City. Their son Clifford Lee is 1 year old.

Mr. and Mrs. W. E. Terry of Seymour are spending a few days in Cameron with Mr. and Mrs. Cage Terry.

F. W. Wilson and Edgar Finley of Dallas made a business visit to Cameron recently.

From where I sit ... by Joe Marsh

Jeb Had the Folks in Stitches!

At the Friday Night Social, Jeb Crowell had the audience in stitches—doing a take-off on the blustering character who belittles everybody and everything that isn't from his own home town.

Well, we can laugh at that sort of character because from where I sit, Americans are just the opposite. We like to boast a bit perhaps, about the paint job on the new barn, or the missus' style of cooking—but we aren't intolerant of people who don't think or act exactly the same way we do.

In our town, for instance: Some folks like band concerts, others don't—some families serve beer with dinner, others, buttermilk—and as for politics, there's plenty of healthy disagreement.

But when it comes to denying folks the *right* to think or act as they choose ... no, we're like you—we don't believe in it, whether it goes for serving beer, or speaking one's mind on public affairs.

Joe Marsh

MILAM TROOPS WILL BE HERE MAY 15TH

Boy Scouts in Milam county will be spotlighted here Saturday, May 15 in a field meet that is attracting wide attention.

L. W. Smith and August G. Kunz announced Thursday morning that a program has been worked out for the meet to begin at the Yoemen Athletic Field and tentative arrangements have been made to serve supper to participating scouts only at the cafeteria at the Ada Henderson school.

A feature of the meet will be a Court of Honor held in the center of the field from a large truck. Spectators will have the benefit of the stands at the stadium.

Mr. Smith said that ice water will be placed in kegs at the field and everything possible will be done to make the arrangements commensurate with the importance of the meet.

Some 8 or 10 troops in the county will be here. Here are some of the events in which contests will be staged: Fire building and string burning; first aid, obstacle relay, fire by friction and by flint and steel, knot tieing relay, tent pitching, cooking, O'Grady drill, and others.

Stanley Swift Gives $50 To Firemen Here Following Big Blaze

Stanley H. Swift, owner of the Milam Theatre, and who took the largest of any property owner involved in the fire Friday morning gave the Volunteer Firemen $50 in the afternoon.

Mr. Swift was very generous and so far as known by The Herald this is the largest gift to the firemen made thus far.

The firemen saved other properties. Their owners took no losses. Mr. Swift a big loser has also been generous and this newspaper feels it is expressing warm thanks and appreciation from the entire membership

Mrs. T. O. Bass of Houston will arrive the last of the week for a week end visit with her mother, Mrs. Emma Butts. She will be accompanied by her friend, Mrs. John Young of Houston.

Yoemen Have Chance To Cinch Another District 26 Title

Cameron's crack Yoemen baseball team has a chance to cinch the 26-A baseball title and thus add another laurel to the already impressive record here when they meet Rosebud here Friday afternoon at 3:15.

If Cameron wins this game it will cinch the title. They have not lost a game in the district schedule and Coach McLerran has an enviable record.

Security Bond Quota For County $140,000

Boyd T. Russell, deputy director of the U. S. Savings Bond Division, was in Cameron Thursday from his office in Waco in the interest of the current loan that ends in June 30.

Milam county's quota is $140,000. Bond sales here showed a decline in March and an organization will be attempted to push the loan and to reach the quota. Milam county has a very fine record in bond sales.

. . . and a working partner in your business!

BASICALLY, a good citizen is one who wants a vigorous, prosperous and progressive community, and who is willing to do his part in every way possible to build such a community. That's why we say Southern Pacific is a good citizen of this community and of every community it serves, for the policies that guide the Southern Pacific system are based on the principle of fostering community prosperity through consistent cooperation.

As a good citizen, Southern Pacific promotes community interests by providing a permanent, efficient, economical mass transportation service that can be relied on in all kinds of weather to meet all the transportation needs of the people. Your SP partner stimulates community prosperity by employing local people, paying local taxes, and buying much of their supplies locally. (Southern Pacific Lines in Texas forms the largest single industrial enterprise in the state, measured by the number of employees; its payroll; cost for operating equipment, materials, and supplies; and by various other yardsticks.)

With the firm belief that a railroad's growth is tied in closely with the growth of the area it serves, Southern Pacific has always encouraged business and industrial expansion along its lines by acquainting new enterprises with the economic advantages offered in its territory.

Thus, Southern Pacific measures up to the requirements of good citizenship . . . a home-town partner in every community it serves.

DELPHIAN CLUB WILL SPONSOR EXHIBITS

New classifications have been added to the list of flowers and plants to be entered in the second annual flower show to be held in Cameron by the Delphian Club and the public is again invited to enter exhibits and arrangements and to attend the free show.

Last year there were more than 150 arrangements to be seen and this year, the sponsoring club hopes to have many additional exhibits and a larger show. The theme this year will be "America First."

The flower show will be held in the basement of First Methodist Church on Tuesday, May 18, from 3 until 7 p. m. and entries must be placed before 1 p. m. on that day. The arrangements will be judged by three women of three garden clubs of Temple upon request of the Delphian Club. Mrs. Howard Baskin is general chairman of the show and with her committee has worked out the following classifications on which interested persons may submit arrangements of exhibits:

1. Annuals and perennials.
2. Bulbs, tubers and rhisones.
3. Specimen.
4. Corsages.
5. Miniatures.
6. Men's arrangements.
7. Bubble Bowls.
8. Potted plants.
9. Children's Division.
10. Vegetables and Fruit.
11. Inspirational.

The Inspirational exhibits are those inspired by a book, picture or other sources and provide an inclusive picture arrangement. The men and children's divisions, miniature and bubble bowl and specimen classes are others that have been added this year.

Committees appointed for the Flower show by the Delphians are: Classification, Mesdames A. W. McCullin, Carrol Green and John A. Smith; Arrangement, Mesdames O. B. Beasley, R. L. Lemons and A. R. McLerran; Refreshments, Mesdames Leland Geren, F. S. Lesovsky and Ed Gunn; judges and placards, Mesdames Alvin Dusek, Lena Baskin and Miss Mary Randolph; placement, Mesdames E. A. Flinn, Niley Smith and Misses Mildred Thornton and Sue Butts; hostesses, Mesdames W. C. Freeman, J. C. Freeman, W. A. Robinson, R. L. Batte, S. W. Gaines, and C. W. Hudson; and publicity and awards, Mesdames W. F. Sharpe, Ben Reichert and J. D. Eplen.

There will be no special invitations sent to individuals to enter the show, but any who would like to place an arrangement or plant will be welcomed. Clubs and groups are also welcome to enter.

High Scorers In Cameron Horses Are Lott Show Thursday

Three Cameron horses were high in the scoring at the Lott Show on Thursday.

R. G. Gabein on Thunderbolt was third in the Plantation class, one of a number of triumphs his horse has made in shows. Some 150 horses were entered in the show.

Marvin Ethridge on "Honest John" won second in the quarter horse at halter class and second in reining class.

Make McDermott on Bonnie Parker was third in reining class.

FRANK PLASTER DIED IN FREER SATURDAY

Frank Plaster, 44, died in Freer, Texas on Saturday, May 8. He was a native of Cameron. According to information received here he was operated on for a head injury and never regained consciousness.

Mr. Plaster was born in Cameron on October 19, 1904 and had spent most of his early life here. He had not lived here in the past 15 years or more.

Funeral services were to be held at 5 p. m. Monday, May 10 from the Chapel of the Marek-Burns Funeral Home with Rev. Lee Lemons, pastor First Methodist Church, conducting the services and interment in the Milano cemetery.

Surviving are his widow, Mrs. Frank Plaster of Shreveport, La., one son, W. Burgess Plaster of Shreveport. One brother, Max Plaster survives and resides in Corpus Christi and one sister, Mrs. W. R. Hoover of Brownsville.

CARD OF THANKS

To the members of the Cameron Volunteer Fire Department and all others who assisted during the fire on May 7, my sincerest thanks for your valiant work during the catastrophe.

Your untiring and unselfish efforts undoubtedly saved my store and probably the entire block from complete destruction.

To one and all, my deepest appreciation.

H. G. HARAWAY,
Western Auto Associate Store

Baptist Press For Sweeping Revival; Services In Progress

"If God was interested in giving Elijah an old fashioned revival on Mt. Carmel's lofty heights, he is interested in giving Cameron that kind of a revival" declared Rev. L. L. Morriss local Baptist Minister before a large group of members assembled for breakfast and 7:00 o'clock church services held in connection with the Revival now in progress there. "If God, through the preacnihg of Jonah, could turn the wicked city of Ninevah to him in one day he surely can turn Cameron to him" the pastor further stated.

Forty-eight people were on hand to enjoy breakfast together and hear an early morning sermon in this unique type of service. The pastor announces that the Revival will continue through next Sunday with services at 7:00 a. m. and 7:30 p. m. Mr. Morriss is doing the preaching and Mr. Joe Gilmore, minister of music, directing the singing. People of all faiths are invited to share in these unusual services.

Another feature of this church's activities is the installation of a new Wire Recording unit, the gift of one of the members. The wire recording enables the church to record all of its worship services and carry them into the homes of all the sick and the shut-ins of the congregation.

Services an hour long are recording on the magnetized spool of wire and can be played back immediately or erased at liberty. This pastor asserts that "If Paul were living today he would use every means available to carry the gospel to the people, including radio and newspaper advertising."

L. L. MORRISS, Pastor

NEGOTIATIONS FAIL IN WASHINGTON FRIDAY

The threatened railroad strike scheduled for next Tuesday, May 11 seemed certain to occur as negotiations between Persident Truman and union heads broke down in Washington late Friday.

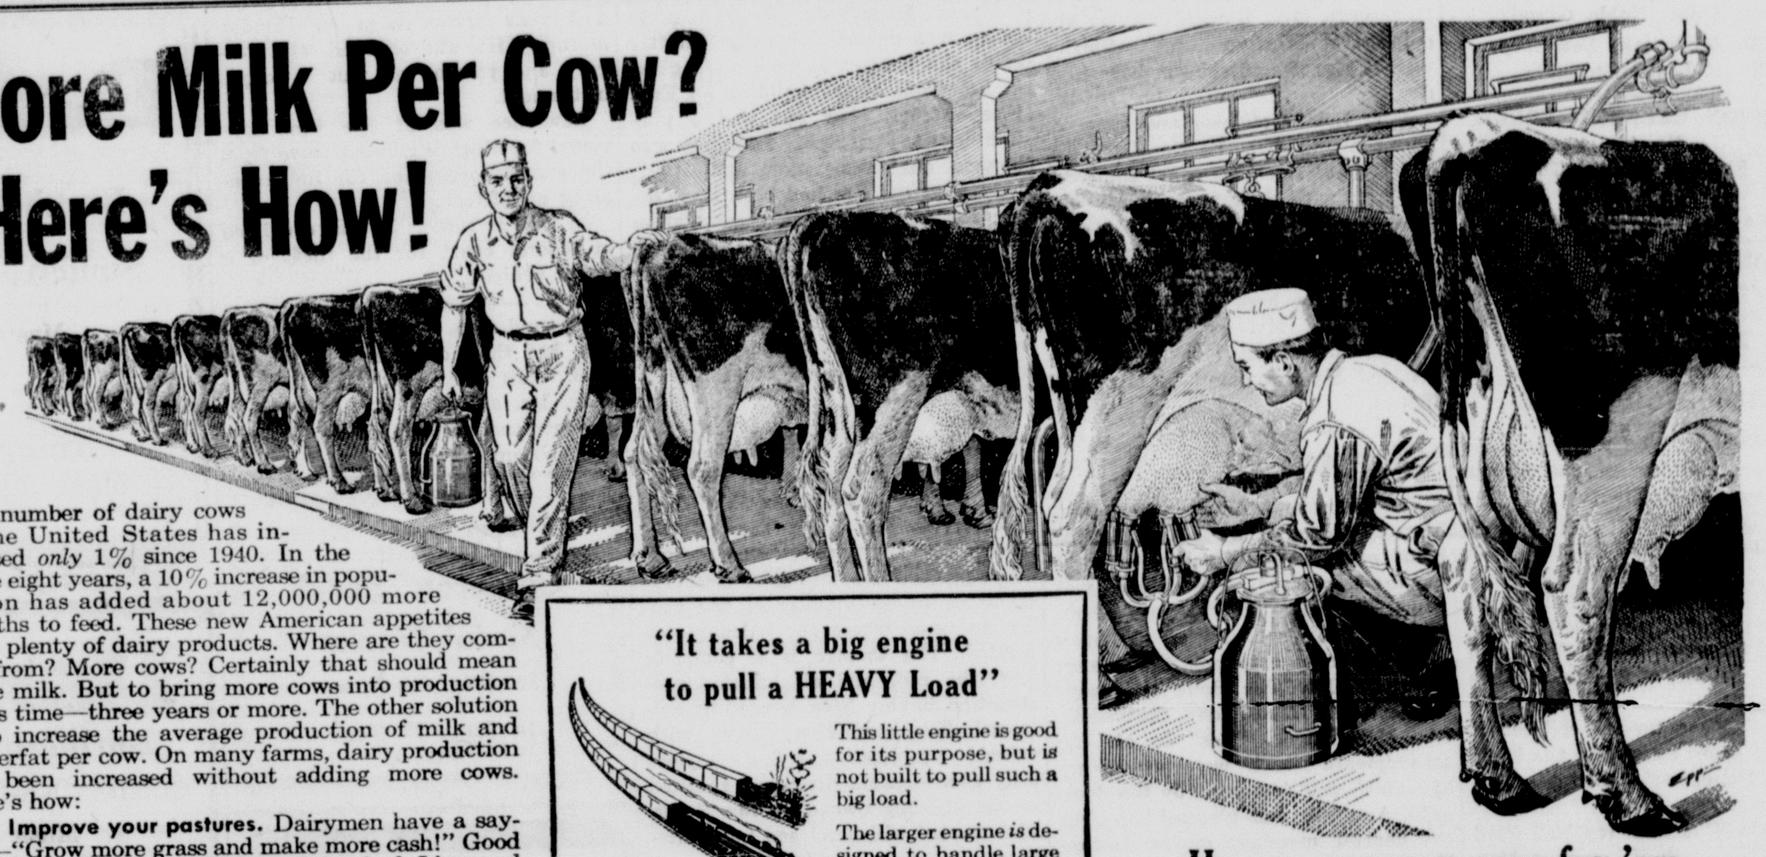
The final effort was to summon railroad management for a conference on Saturday. Hopes were fast fading and the President may be faced with the necessity of taking over the railroads.

Rail workers are demanding a 30 per cent increase in their pay and 25 changes in working rules.

At noon Saturday there was little indication that an agreement would be reached. The strike will tie up the nation's railroads and every nome in the country will be affected.

Mrs. Tracy Hobson who accidently fell in her yard last week was taken to the St. Edwards Hospital where she underwent surgery and is reported to be resting well as could be expected. Her many friends hope for her a speedy recovery.

More Milk Per Cow? Here's How!



The number of dairy cows in the United States has increased *only* 1% since 1940. In the same eight years, a 10% increase in population has added about 12,000,000 more mouths to feed. These new American appetites need plenty of dairy products. Where are they coming from? More cows? Certainly that should mean more milk. But to bring more cows into production takes time—three years or more. The other solution is to increase the average production of milk and butterfat per cow. On many farms, dairy production *has* been increased without adding more cows. Here's how:

1. Improve your pastures. Dairymen have a saying—"Grow more grass and make more cash!" Good grass is your best and cheapest dairy feed. Lime and fertilize. Control weeds by spraying and mowing. Reseed to improve grasses. These are all good pasture builders.

2. Handle your milk and cream efficiently. Mechanical separators reduce loss of butterfat and improve its quality. Give more careful attention to sanitation. Quick cooling and proper handling can help you sell milk and cream, of better quality, for more profit.

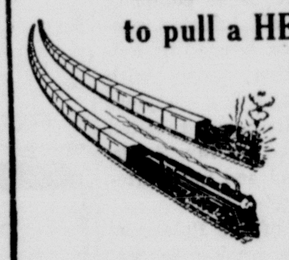
3. Eliminate cattle pests. New sprays, like derris and DDT, used on the herd and in the barn, can rid your cows of grubs, practically eliminate pesky flies and lice. These pests rob America of an unbelievable amount of milk each year. Iowa alone sets the loss caused by heel flies and grubs at nearly 250 million pounds of milk in one year.

4. Control mastitis and Bang's disease. They are serious enemies of milk production. Complete control of them could increase the nation's milk supply 20% or more. That would be one quart every day for 30,000,000 people.

5. Check with your neighbors. See what they have done to increase their herd averages. You can also get help from your County Agent, your Vocational Agricultural teacher, your State College Experiment Station, or your State Veterinarian.

Increase production with more milk per cow. *And more milk per cow means more cash for you.*

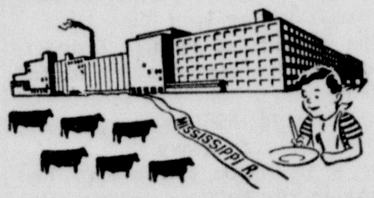
"It takes a big engine to pull a HEAVY Load"



This little engine is good for its purpose, but is not built to pull such a big load.

The larger engine *is* designed to handle large loads—efficiently, economically and easily.

Two-thirds of the livestock is produced west of the Mississippi River. Two-thirds of the meat is eaten east of the Mississippi. Bringing these two together is a job requiring a large engine.



That's why the country *needs* nationwide meat packers like Swift & Company. For with processing plants located where most of the livestock is raised, *we can help bridge the gap between western range and the kitchen range.* It is an important job, and we're proud that we are able to handle a share of it.

How you gonna care for 'em down on the farm?

Fresh, high-quality eggs grade better, bring better prices and help build consumer demand. Ideal eggs are large, fresh and clean. They are uniform in size and shape. Clear, thick whites and firm, evenly colored yolks show good interior quality.

Top grade eggs begin with a good flock of layers, properly fed and cared for. Remove the roosters when breeding season ends—your hens will lay as well and infertile eggs keep much better. Keep the nests well filled with straw. Gather eggs two or three times a day . . . Never *wash eggs!* Use steel wool to clean the dirty ones . . . Keep them in a cool place—not over 60°. Sort them in the case according to color and size. Market them at least twice a week.

Remember, your best advertisement is to produce eggs which will reach the consumer fresh, clean and evenly sized. Quality helps make a *better* market for your eggs.

Soda Bill sez:

. . . *if you bark at people all day you'll be dog-tired by night.*

. . . *it's funny how opportunities look so much bigger going away than when coming.*

HAM & EGGS GO TOGETHER

N. R. Clark

Milk, cream, poultry and eggs brought producers a gross income of nearly 6½ *billion dollars* last year. That's big business!

Every family in the nation uses dairy and poultry products. These products are perishable. They have to be handled with care. It's a big job to process and distribute butter, cheese, ice cream, dressed poultry, and eggs in prime condition. It's a nationwide job—as broad and as long as America.

We have nationwide refrigerating and meat distributing facilities to serve both producers and consumers. It is economical to use these same coolers, refrigerator cars and trucks for dairy and poultry products.

The Swift salesman sells meat, poultry, eggs, cheese, butter and other products. In this way we can have one salesman for *sixteen* or more products, instead of sixteen salesmen each selling one product. The same goes for delivery, too.

If *you* were in business marketing many different products to the same buyers, would *you* have one salesman for each product? You would have each salesman sell many of your products. That saves money, effort, travel and the buyers' time. That's our way, too.

N R Clark

Vice-President, Swift & Company

Mr. Clark, "guest editor" this month, is Vice-President of Swift & Company in charge of the Dairy and Poultry Division.

Standardbred vs. Crossbred Chickens

by R. George Jaap
Ohio State University, Columbus, Ohio

R. G. Jaap

The relative merits of standardbred vs. crossbred chickens may be summed up in three words—*not much difference.* But this difference is more often in favor of the well-chosen crossbred.

The advantages of a good crossbred are: faster growth and more eggs. However, many a slip can occur in crossbreeding chickens which will make them inferior, market-wise, to standardbreds.

For example, to produce a suitable crossbred, both standardbred parental breeds must be of top quality. If one has a mediocre egg production, it is almost a certainty the resulting crossbred will be a poorer producer than the high-producing standardbred side of the family.

The fact that crossbreds usually are darker-colored may be a market disadvantage. Many markets pay a premium for white-feathered chickens. White Plymouth Rocks are not suitable for crossbreeding. If they are crossed with New Hampshires, dark-colored chickens will often result. Therefore, the premium for whites is lost. And the slightly faster growth rate of crossbreds may not make up this profit difference.

In color of eggs, the crossbred producer is also at a market disadvantage. Most egg-producing crossbreds lay colored eggs. Many markets pay more for white eggs. Therefore, the crossbred producer forfeits the profit on white eggs until crossbreds, which will consistently lay white eggs, are produced.

In certain cases, crossbreds may develop a greater susceptibility to disease than the better parent.

It is possible to develop crossbreds superior to the better standardbred strains. But determining the most suitable crossbreds is difficult because two different breeds are involved.

Martha Logan's Recipe for

SUMMER SAUSAGE SCRAMBLE

(Yield: 2 servings)

1 tablespoon butter	4 eggs
½ cup chopped summer sausage (cervelat)	4 tablespoons milk

Melt butter in skillet. Add summer sausage and fry lightly. Beat eggs with milk and add. Cook gently, stirring carefully until *just set* (still moist). Serve immediately.

Nick Brennen vocational teacher at Lexington spent the week end here with his mother, Mrs. Bessie Brennen. He has been elected for another school term at Lexington.

Mr. and Mrs. Arthur Moore and son Howell, Mr. and Mrs. Wayne Honeycutt, Mrs. Howard Manley and daughters; Marilyn and Shirley visited Mrs. Dan Robinson here Sunday.

Mrs. Lela McCowen and baby of Houston and Mrs. Bessie Elsenburg and boys of Rockdale spent the week end here with their parents, Mr. and Mrs. W. E. Thomas.

Mr. and Mrs. Floyd Jackson and little daughter Barbara of Baltimore, Maryland are here for a visit with his parents, Mr. and Mrs. Clyde Jackson, his sister, Mrs. Jack Stewart and his grandmother, Mrs. Bill Iiames.

Clarkson H. D. News

The Clarkson H. D. Club met Thursday, May 6, at 2 p. m. in the home of Mrs. Joe Hauk with eight members present. The house was called to order by the president, Mrs. Tim Mitchell. During the business session reports from the finance chairman, Mrs. Joe Hauk and council delegate, Mrs. John Matyastik. The club voted "Yes" to all the amendments which were drawn up at council and presented by the delegate. A supper was planned honoring the charter members during Nation Home Demonstration week. A committee of three mesdames: John Wimberly, Jim Hauk and Douglas Crook were appointed to complete those plans. After which the meeting was turned over to Mrs. Joe Hauk who gave a demonstration on "Re-covering chairs". She demonstrated how to put a new seat in old fashioned cane-bottomed chair which was attractive, comfortable and also very durable.

At the close of the meeting, Mrs. Hauk served hamburgers with potato chips, pickles, cookies and iced tea.

Eighth Grade Students Pick Their Occupation As They Like It Best

For Commissioner Precinct 1:
C. S. RANEY

For Commissioner Precinct 2:
W. W. (Doc) MARKHAM

For Commissioner Precinct 3:
BYRON NEAL

FIRE—

(continued from page one)

played a good part in the alarm at that early morning period.

Harry Haraway's Western Auto Store was damaged heavily. Shortly after the firemen arrived plate glass in the front of the building on East First Street, blew out and a portion of the upright framing was blasted out of position. Indications were that the fire had been smoldering for hours and the accumulation of smoke in the Western Auto Store resulted in an explosion. Some water damage also resulted to Mr. Haraway's store. He said he could not accurately estimate the damage but it would run to several thousand dollars.

Stanley H. Swift, owner of the Milam Theatre, said he believed the fire to have originated in the balcony of the theatre possibly from a cigarette stub. The theatre was closed for the night's run around 11 p. m. The fire was first discovered to be in the vicinity of the projection room where the balcony was located. The theatre is a complete loss, the roof and all interior construction having been burned or collapsed. The projection room with valuable equipment also is a complete loss. Considerable damage resulted to the building owned by Mr. Swift. The theatre will be closed indefinitely.

Fred Reno, owner of the Palace of Sweets said he was unable to teil how much damage was sustained in the lower floor where his business is located. It will be very heavy. Walls of the building were damaged and warped especially on the west side fronting on North Houston Avenue. The roof of the building is a total loss, the south portion on East 1st street having been burned out.

The Knights of Pythias Lodge is located in the second story of the building and it was not ascertained what damage had been sustained, but will be very heavy.

Dr. S. R. Cotton, chiropractor, had offices in the building upstairs also and the loss may be complete.

Walter F. Sharpe's jewelry store, located in the north end of the Reno building also sustained heavy damage.

Bert Nicholson's Dr. Pepper headquarters was also in the north end of the building adjoining the Sharpe jewelry store and likewise heavy damage resulted.

City Marshal Jim McGoldrick acting to prevent injury to people had blocked sidewalks leading to the buildings. The devastation is singularly portrayed in the blackened walls of the structures with their ruined interiors.

Mr. and Mrs. Zalesky Make $10 Contribution To The Firemen Here

Mr. and Mrs. Joe Zalesky early Saturday brought their check to the Cameron Herald for the Cameron Volunteer Firemen in the sum of $10.00.

They own property across the street from the fire that occured on Friday morning. Mr. Zalesky said: "They saved my property and they saved property all around the fire. I know that every citizen, especially property owners appreciate their good work and we want to have a part in the contributions to them."

If he is an old line politician it means he is using the same old line.

COURT—

(continued from page one)

pledging the court on right-of-way co-operation, and to include a copy of the minutes of the court, for the information of Mr. Greer who will seek an appointment with the Commission for the court on May 31. Mr. Greer has indicated he will recommend the construction.

On Tuesday, May 4 E. A. Perrin, President of the Cameron Chamber of Commerce; Senator Kyle Vick of Waco; Stanley H. Swift, Chairman of the Good Roads Committee of the Chamber of Commerce, Lester Williams and J. B. White members of the committee, talked with Mr. Greer, State Highway Engineer.

Based upon this meeting the information requested was relayed to Judge Dan Tyson who called the court with the result as announced above.

The Chamber of Commerce President and Committee met with the Court Friday morning.

The right-of-way commitments contemplate titles from Burlington to Falls county line on Highway 77 and from Minerva south to the Lee county line, and right-of-way on Highway 36 from Bell county line through Buckholts and Cameron and to Milano. The plans call for the construction of a concrete bridge across Elm Creek north of Cameron. Plans are for the straightening, reconstruction and improvements of these highways. Thus a long step has been taken to put Milam county back on the traffic map.

Leroy J. Lawrence Gets Prison Term

Leroy J. Lawrence, tried in District court here last week was given a 3 year prison term on Monday morning. He was charged with forgery and passing as true a forged instrument.

Lawrence was at one time convicted for absence without leave from the armed forces and for impersonating an officer.

In 1946 in Illinois he was convicted in federal court for the theft of a motor vehicle.

Mr. and Mrs. Sam Deer of Cameron had their children here for the week end; Mr. and Mrs. George Deer, Mr. and Mrs. C. S. Greenlees of Freer and Mr. and Mrs. F. P. Deer of Hebbronville.

Mrs. Gene Muse, Eleanor Sue and Mrs. Verna O'Bryant of Edinburg visited their father, M. L. Worcester on Mother's Day and attended services at the Spiritualist Church.

Mrs. Ernest Smith and daughter and Mrs. Joe Lakey and son of Austin have returned to their home after spending several days here with Mrs. Smith's mother, Mrs. Emma Butts.

Mrs. Gussie McGregor has returned to Odessa after spending several days with her sister, Mrs. Homer McLane. Mrs. McGregor is employed at the Tax Assessor-Collector's office in Odessa.

MRS. EMMA C. HENSLEY DIED HERE LATE FRIDAY

Mrs. Emma Couch Hensley, 83, died in Newton Memorial Hospital in Cameron at 3 p. m. Friday, May 7.

She had been a resident of Milam county for the past 62 years. Mrs. Hensley had been ill for some time and under treatment in the hospital.

Funeral services were held at 3 p. m. Saturday, May 8 from the Baptist Church in Buckholts with Rev. L. L. Morriss, pastor of the First Baptist Church in Cameron officiating and the Green Funeral Home in Cameron directing arrangements. Interment was made in the North Elm Cemethery.

Pall bearers were Hardie Scarborough, W. W. Markham, A. C. Odom, Victor Carlton, Hugh Powell, Ed. Angell, F. H. Scarborough and Henry Burke.

Surviving are her husband W. F. Hensley and the following children: Mrs. Eunie Bell of Cameron, Mrs. Nora Powell of Buckholts, Mrs. Mable Hughes of Freeport, Mrs. Nila Gilliland of Rockdale, Homer Allen and Roy Hensley of Cameron. Four daughters preceded her in death.

Surviving also are one sister and three brothers as follows:

Mrs. Lizzie Doggett of Alabama, Albert Couch of Falfurias, Tom Couch of Black Oak, Arkansas, and Chas. Couch of Union Grove, Alabama.

The Hensley family has been prominent in Milam county for many years, W. W. (Bill) Hensley, having settled here in the early days of the county.

CARD OF THANKS

We are sincerely grateful to our friends and neighbors for their assistance and kindly interest during the recent illness and at the death of our beloved wife and mother, Mrs. Emma Couch Hensley. Your expressions of sympathy and acts of kindness were so very helpful our burden of sorrow was lightened and we want each one of you to know of our gratitude.

W. F. Hensley and Family.

AUGUST FREI FUNERAL HELD AT BURLINGTON

August Frei, 54, died in St. Edwards Hospital in Cameron early Thursday morning, May 6 after a brief illness.

Mr. Frei was a native of Europe but had been a resident of Milam county for 42 years, residing at Burlington. He had been engaged in farming for a number of years. There are no surviving relatives in this country.

Funeral services were held from St. Michael's Catholic church in Burlington at 9 a. m. Friday, May 7, 1948 with Father O'Reagan, conducting the Mass and interment in the Catholic Cemetery in Burlington with the Marek-Burns Funeral Home in Cameron directing arrangements.

A Tough Chick

A baby chick with a straw through its body seemed healthy and getting on fine at the farm of C. J. Dobberson at Lake Charles, La. last week.

Of interest here is the fact that the chick was sold by the Hornung Hatchery, according to H. O. Hornung. A newspaper clipping showing the chick with the straw through its body has been received here. "We advertise that our chicks are tough as mules," said Mr. Hornung. The proof seems now well established.

A bunch of chicks were shipped on April 15 and Mr. Dobberson wrote Mr. Hornung on April 26. The picture has attracted wide attention.

MRS. JIM YOUNG IS BURIED AT SALEM

Mrs. Jim Young, 75, a native of Alabama and for a long period of time a resident of this city, died at 2 p. m. at St. Edward's Hospital, Saturday, May 8.

Funeral services for Mrs. Young were held at 3 p. m. Monday, May 10 from the Chapel of the Marek-Burns Funeral Home with interment in the Salem Cemetery. Rev. Lee Lemons, pastor of First Methodist Church here, conducted the services.

Surviving are her husband, James Young of Cameron, three daughters, Mrs. Julia Scarborough, Mrs. Alvin Baggerly and Mrs. Norman Cook all of Cameron; two brothers Mark Arledge of Ardmore, Oklahoma and Joe Arledge of Austin.

Mr. and Mrs. E. R. Brashear and Mr. and Mrs. C. E. Brashear and son, Sid of Houston, spent Mother's Day in the home of Mrs. Clara Brashear of Cameron.

6 CRIMINALS ARE FREE BY JESTER IN HARRIS

(Houston Chronicle)

Four men convicted of murder in Harris County—one serving a life sentence, another 25 years—and two others convicted of robbery by firearms and burglary, have been granted conditional pardon by Governor Beauford Jester the Associated Press reported from Austin Wednesday.

One of the men had been previously reprieve according to the Associated Press.

The beneficiaries were Roosevelt Dillon, sentenced in 1938 to life imprisonment for murder and murder with malice aforethought; C. L. Ellis, sentenced in 1941 to 25 years for murder; John D. Moore, sentenced in 1943 to 10 years for murder with malice aforethought; James Emerson, sentenced in 1946 to five years for murder without malice; Charles Ranels, sentenced in 1943 to 10 years for robbery with firearms, aiding a prisoner to escape, and theft, and James Gash, Jr., sentenced in 1945 to six years for burglary and theft.

Police records reflect that Dillon was sentenced to two life sentences for the fatal shooting of Walter Byron and Mary Elizabeth Hollins, at Robin and Mason, on July 5, 1938. A third charge of assault to murder involving the wounding of another man was dismissed. Dillon served only seven years of his two "life" sentences, and has been out of the penitentiary since December 24, 1945, when he was released on a "six-month" reprieve.

Ellis was convicted of the murder of Dorothy Ellis on July 21, 1941. He served only a little more than four years of his 25-year sentence, and has been out of the penitentiary since December 24, 1945, being released on a "six-month" reprieve.

Moore, convicted of the fatal knifing of Verna Lee Mundine on February 22, 1943, served 3½ years of his 10-year term, and has been free on a "six-month" reprieve since December 18, 1946.

Emerson, convicted on the fatal shooting of Maurice Minfee on Christmas Day, 1945, served one year and eight months of his five-year term, and has been free on "six months" reprieve since November 24, 1947.

Ranels, sentenced to a total of 20 years for stealing one car, hijacking another, and aiding two Harlem Farm escapees to evade recapture, was permitted to "serve" his sentences on a concurrent basis, with only 10 years actually charged against him. Of this he served 3½ years before his release on "six months" reprieve, December 2, 1946.

Gash pleaded guilty to burglary of the Rolle-Jewett & Beck clothing store and was given a total of nine years, with three years cumulative, of which he served two years and eight months before his release on "six months" reprieve, December 6, 1947.

District Attorney A. C. Winborn and Judges Langston King and Frank Williford said Wednesday they had made no recommendations to Governor Jester on any of the clemencies.

Austin Firm Is Low Bidder on Gabriel Bridge Building

Richard Schmidt & Sons of Austin were low bidders on construction of a bridge across Little River on farm to market road No. 487.

The bridge is to be built on the road from Rockdale to Tracy. The cost will be $40,005.00.

The Texas Highway Department on Tuesday received bids on projects totaling over 6 million dollars and will let contracts soon for a total of some 12 million dollars.

Southern Construction Company bid low on bridge painting some of them on 79 in Milam county now under construction.

Patricia Ann Gets Titsworth Home Honors on Birthday

Dr. and Mrs. R. M. Titsworth honored their daughter, Patricia Ann with a party on her second birthday at their home Friday, April 23.

The following were present for the party: Mr. and Mrs. Bush Stafford, Mr. and Mrs. I. N. West, Mr. and Mrs. F. L. Gregory, Mr. and Mrs. Dean Hanes and Cathy, Mrs. Florence Markham, Mrs. Red Sheguit, Mr. and Mrs. Edwin Brod, Mr. and Mrs. Bill Odom of Waco.

Mrs. Titsworth served barbecue chicken with all the trimmings to the guests. Patricia received many little gifts and thanked the guests in her charming manner.

F. A. Bunt of Houston is spending his vacation in the home of his mother, Mrs. J. E. Bunt and other relatives and friends in Cameron. He is with the post office in Houston.

Lantrip of Plains, Texas.

This Is For The Greatest Guys Who Live—Our Firemen

This for the greatest bunch of guys who live on the earth—Volunteer Firemen. For nearly 4 hours this morning these boys, many of them business men who otherwise would have been in their places of business in comfort, gave one of the best exhibitions of fire fighting in the history of the city.

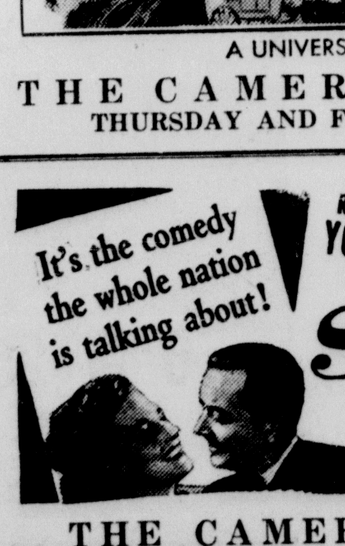
Chief Ralph Michalka, veteran of the department, said that the fire was perhaps the most stubborn in the history of the Department. Due to their great devotion to duty the blaze was contained and a large section of the business district saved, although two buildings were virtually destroyed, and another badly damaged.

Public thanks to Mrs. Bever Thomas of the Milam Coffee Shop for coffee to the firemen who had not eaten their breakfast.

Our Volunteer Firemen receive no pay. Where on earth could one find a greater unselfish interest in the welfare of a city or the safety of its people.

The Daily Herald, appreciating the Firemen as do all the people, wishes to have a share in compensating them for the sacrifices they made and initiates a contribution with an appeal to all who wish to share. Our check for $25.00. Mail to John C. Andres, Secretary, or bring to this newspaper.

Mrs. Walter Hilderbrandt, Mrs. Gladys Holley and their children and Happy Storey of Houston spent the past week end with their parents, Mr. and Mrs. R. L. Storey of Cameron.



CAMERON THEATRE
SUNDAY AND MONDAY
May 16 and 17

FILM FEATURE TRANSFER TO CAMERON SCREEN

The Milam Theatre will be rebuilt it was said late Friday by Stanley H. Swift, owner.

The Theatre was completely destroyed by fire early Friday morning.

For the present and beginning on May 15 western pictures booked for the Milam will be shown at the Cameron on Saturday each week through all bookings.

Episodes 13 and 14 of "The Vigilante" will be shown Saturday, May 15 at the Cameron and Episode No. 15 of the serial on Saturday, May 22 with "Western Heritage."

Pictures advertised at the Cameron Theatre for Tuesday and Wednesday will be shown on Tuesday only and a new feature will be procured for Wednesday.

Mr. Swift lost no time in making plans for the rebuilding of the theatre, a popular show house with thousands of patrons during the past quarter century.

Four More Report Gifts to Firemen

Four more contributions have been made to Cameron's Volunteer Fire Department since the last issue of The Daily was issued.

Ralph Michalka, Fire Chief, reported to the daily on Monday that the department had received $25.00 from H. H. Stedman of the Hefley-Stedman Motor Company.

H. G. Haraway, owner of the Western Auto Associate Store, whose stocks and building were saved, sent the department a check for $25.00.

Dr. S. R. Cotton, Chiropractor whose clinic was destroyed in the Reno building sent the Firemen a check for $10.00. Dr. Cotton is going to replace his clinic as soon as a location can be had.

Mrs. Ralph Koepf, President of the Auxiliary of the Veterans of Foreign Wars Monday delivered a check to The Herald for presentation to the Firemen. Mrs. Koepf said that the auxiliary escaped without loss, all records and a new $50 flag being intact. "We very much feel our obligation to the firemen" she said.

J. R. Allen of Lufkin spent Friday with his son, Mr. and Mrs. W. C. Allen of Cameron.

BOB REIMER DIED IN NAVASOTA ON FRIDAY

Bob Reimer, 47, died at 7:15 p. m. Friday, May 7 in Navasota at the home of his brother there.

Mr. Reimer was a native of Milam county and was born on March 6, 1901. He had lived all his life in the Burlington community.

Funeral services will be held from St. John's Evangelical Lutheran Church in Burlington at 2 p. m., Sunday, May 9 with the pastor, Rev. F. C. Anderson, officiating. The Marek-Burns Funeral Home in Cameron will direct arrangements and interment will be made in the Burlington Cemetery.

Surviving are 6 brothers and 2 sisters as follows: Otto Reimer, Phillip Reimer, Cameron, Hugo Reimer, Rosebud, Bill Reimer, Miland, Walter Reimer, Ben Arnold, John Reimer, Navasota, Miss Lydia Reimer and Mrs. Oxsheer Rice of Ben Arnold.

Mrs. E. A. Flinn had as Mother's Day guests her children, Mr. and Mrs. Glenn Flinn of Tyler, Mr. and Mrs. Craig and son, David and Miss Helen Flinn all of Austin and Mr. and Mrs. Fontain Flinn of Bishop.

Emory Crump of Tanglewood made a business visit to Cameron recently.

Friends will be glad to know that H. N. Tate is recovering nicely from a major operation at St. Edwards Hospital.

70 GROUP AIR FORCE IS VOTED QUICKLY

The senate, sizzling with talk of a "communist threatened world," today approved by a landslide 74 to 2 vote a $3,233,200,000 measure to build a 70-group air force.

Only Senators Taylor (D-Idaho) and Cain (R-Wash) voted against it.

The legislation now goes back to the house, which passed an almost similar bill 343 to 3, for action on a few minor senate amendments. Little trouble is expected in reaching a compromise between the two .

Then the final bill goes to the President for his signature or veto.

The air force was so confident of presidential approval that it announced late today it will immediately start plans to buy 2,727 new planes. These include 243 bombers, 1,575 jet fighters and 909 reconnaissance, transport, training, rescue and laison aircraft.

About 627 will be for delivery by January, the balance by July 1950.

The air force said the new appropriations, which bring the total allotted to the air arm to $1,937,000,000, are a down payment on a five-year pragram designed to modernize the 70-group peacetime air force by 1953.

The new planes will consist of Boeing B-50s, the Republic B-84 Thunderjets, the North American B-54 4-jet bomber, the Curtiss-Wright P-87 4-jet all weather fighter, North America's P-86 jet fighter and the improved Lockheed P-80.

The air force said that 95 per cent of its present planes are leftovers from World War II, when the air force had a total of 243 war-strength groups.

Mrs. Milton Lehmberg and baby son of Houston are spending the week with her parents, Mr. and Mrs. B. F. Bailey.

Edwin E. Smith of Cameron attended a family reunion in Franklin Sunday.

TRUMAN POLICIES ARE SCORED AT CONVENTION

Whereas, we, the Democrats of Milam County, Texas, are mindful of the great crisis that impends as the fateful issue is joined between the slave world and the free world, and,

Whereas, we deplore the efforts of the Truman administration to destroy home rule and civil liberties in the South through the imposition of the so-called "civil liberties" legislation, and,

Whereas, we oppose the civil rights proposals, we hail with admiration President Truman's valiant effort to stem the tide of Communism through the protection of the European Recovery Program, and,

Whereas, we feel that it is to the best interest of our Party and our Nation that the Democratic Party restore the two-thirds rule as a means of regaining for the South rightful representation in the Democratic Party, and,

Whereas, we believe that it is to the best interest of our Party and our Nation that our delegation to the State Convention be instructed to fight for a Democratic National Platform which will re-affirm the Democratic Party's traditional belief in State rights and home rule, and that our delegation to the State Convention should be instructed to battle for the preservation of our tidelands and of our domestic water resources and should be further instructed to oppose the efforts to destroy our social institutions by fiat of Congress and that said delegation should be further instructed to vote as a unit,

Now, therefore, be it resolved by the Democratic Party of Milam County, Texas, in convention assembled on the 4th day of May, A. D. 1948, that our delegates to the State Convention be instructed:

1. To vote as a unit upon all measures submitted for the vote of the delegates.

2. To vote against, in every instance and upon every resolution, the attempts to destroy home rule and civil liberties in the South and particularly against the "civil rights" legislation.

3. To vote for our delegates to the National Convention to be instructed to work and vote for a restoration of the two-thirds rule vote for Party governing.

4. To vote for each and all resolutions and measures introduced at said State Convention which will re-affirm the Democratic Party's traditional belief in state rights and home rule.

5. To vote for all resolutions and measures to send to the National Convention an uninstructed delegation as to candidates for the Presidential and Vice-Presidential nominations.

6. To vote for each and all measures and resolutions introduced at said Convention to urge and bind the members of the Party to vote for and support the nominees of the Party.

And the delegates from Milam County to the State Convention at Brownwood are hereby instructed to support similar resolutions on behalf of the Democratic Party of Texas in each and all of the hereinabove mentioned instances.

Car Stolen Here Is Found In Brownsville

A Ford coupe, property of Mrs. Mary Green of Cameron, has been found in Brownsville near the Mexican border.

The car was stolen here on the night of April 20. Sheriff Carl Black has been notified that the car has been found. The Sheriff of Cameron county has reported a car missing from Brownsville.

At the time the car was stolen here three convicts had escaped from Texas prison. A car stolen in East Bernard was abandoned here near the residence of Mrs. Green. Officers here said that a Mexican convict and a negro woman are believed involved in the car theft.

Democrats Here Are For Retention of Texas Tidelands

Whereas, all revenues from leases and royalties on submerged lands of Texas have been dedicated to the Public School Fund of Texas for many years, thereby constituting a source of millions of dollars each year for public education in this State; and,

Whereas, recent claims asserted by the Federal Government cause a cloud upon Texas ownership of such lands and resources and threaten the financial structure of our public school system, in spite of more than 100 years of recognized State ownership;

Now, therefore, be it resolved by the Democratic Party of Milam Cunty, Texas, in convention assembled May 4, 1948, that Congress be ureged to enact and President Truman be urged to approve legislation now pending which would recognize and confirm the heretofore long recognized ownership of the States to lands beneath navigable waters within their boundaries; and our delegation to the State Convention at Brownwood is hereby instructed to support a similar resolution on behalf of the Democratic Party of Texas.

Tom Nichols, 601 W. 10th. St., Cameron, enlisted in the Field Artillery Branch of the Regular Army for three years at Austin. Young Nichols enlisted to take advantage of the opportunities to further his education and to travel. He has expressed a desire to become a mechanic during his three year enlistment.

FIRST FHA FARM LOAN IN MILAM ANNOUNCED

The first FHA Insured farm loan to a Milam County farmer was closed May 4th. Mr. and Mrs. Ernest J. Lorenz of Route 1, Burlington received the loan and purchased a 110 acre farm in the Edgeworth Community. The Citizens National Bank of Cameron made the loan to Mr. Lorenz and the Farmers Home Administration insured the loan for 100 per cent. Mr. and Mrs. Lorenz have been farm tenant all of thei rlives and have lived in the Ben Arnold Community for a number of years.

Roy Wright, County FHA Supervisor, explained that this progrem is designed to reduce farm tenancy and guarantee the little man a chance in private enterprise. The program of insured loans was worked out by Congress to induce private Capital to enter this field of "Farm Ownership", and the reduction of appropriations for this purpose demanded the entry of private Capital if the program was to succeed.

Mr. Wright also said that the Citizens National Bank was to be commended for their assistance in this program. By their action, they are helping to build a better community. It is generally recognized that farm owners build a stronger community and a better place in which to live.

Mr. and Mrs. Billie Cooper and two children of Waco are expected to spend Mother's Day here with his parents, Mr. and Mrs. Grady Cooper.

A Beta Sigma Phi Chapter Installed In Cameron Friday

A Beta Sigma Phi chapter was installed in Cameron Friday evening at a candlelight ritualistic ceremony. Miss Emma Lowry, International Representative from the sorority's headquarter's in Kansas City, Missouri was in charge.

Mrs. Dean White was installed as president, Miss Abbie Reese Harvey vice president, Mrs. W. A. Morrison, secretary and Mrs. A. L. Raymond, treasurer.

Both cultural and social, the sorority was founded April 30, 1931 and now has over 2400 chapters and over 65,000 members in the United States, Canada, Alaska, Hawaii, England, and Scotland.

Installed in the ne wchapter were: Mrs. H. M. Siebman, Mrs. W. A. Morrison, Miss Ada Margaret Smith, Miss Abbie Reese Harvey, Mrs. Virginia Schuhsler, Mrs. C. C. Smith Jr., Mrs. Dean White, Mrs. A. L. Raymond and Mrs. T. A. Crittenden.

A "get acquainted" party will be held at Mrs. Siebman's May 11th. The first meeting will be at the home of Mrs. Dean White, May 25.

Mr. and Mrs. F. E. Flinn of Corpus Christi will arrive the last of the week to spend Mother's Day with their mother's Mrs. E. A. Flinn and Mrs. S. W. Cheeves.

Mr. and Mrs. Bartow Jackson and son Bobby spent the week end in Luling visiting Mrs. Jackson's sister, Mr. and Mrs. L. V. Hairston.

ALL HOPE TO AVERT WALKOUT ABANDONED

(From the Daily)

All indications pointed Monday to a nation wide railroad strike on Tuesday as negotiations broke down in Washington around noon with Union officials stating that the workers would walk out despite any action on the part of the government to seize the railroads.

All efforts to avert the strike had failed at noon and nothing short of an order from the Union heads would avert the strike scheduled for Tuesday, May 11.

Trainmen, switchmen and others involved in the three union refusal to accept anything less than a 30c an hour increase in pay plus changes in 25 working rules, will walk out Tuesday.

The strike will have the effect of tieing up all major freight traffic over the nation.

President Truman and members of his mediation board had gone so far as to stage a meeting between representatives of both the union and railroad management. This had failed and barring later developments this afternoon the strike will be called on schedule.

Pat Padavana of Mineola, Long Island, New York has returned to his home after spending several days in the home of Mr. and Mrs. Henry McLane. Mr. Padavana is a close friend of the McLane family whom he visited many times during the war while stationed at Camp Hood. He served in the European Theatre of Operations, and is now employed with U. S. Civil Service in New York.

Gordon Lowe of San Angelo is here for a few days visit with his mother, Mrs. Agnes Lowe.

Mrs. Minnie McFarland is ill and a patient in Marlin Hospital.

Mrs. Grace McLane of Tyler was a visitor in Cameron the past week. She was enroute to her home from Houston where she had visited a son who is ill in a hospital there.

Mrs. Bill Kuehl, manager of the shoe department of Henry's Shop spent the day in Marlin with relatives and friends recently.

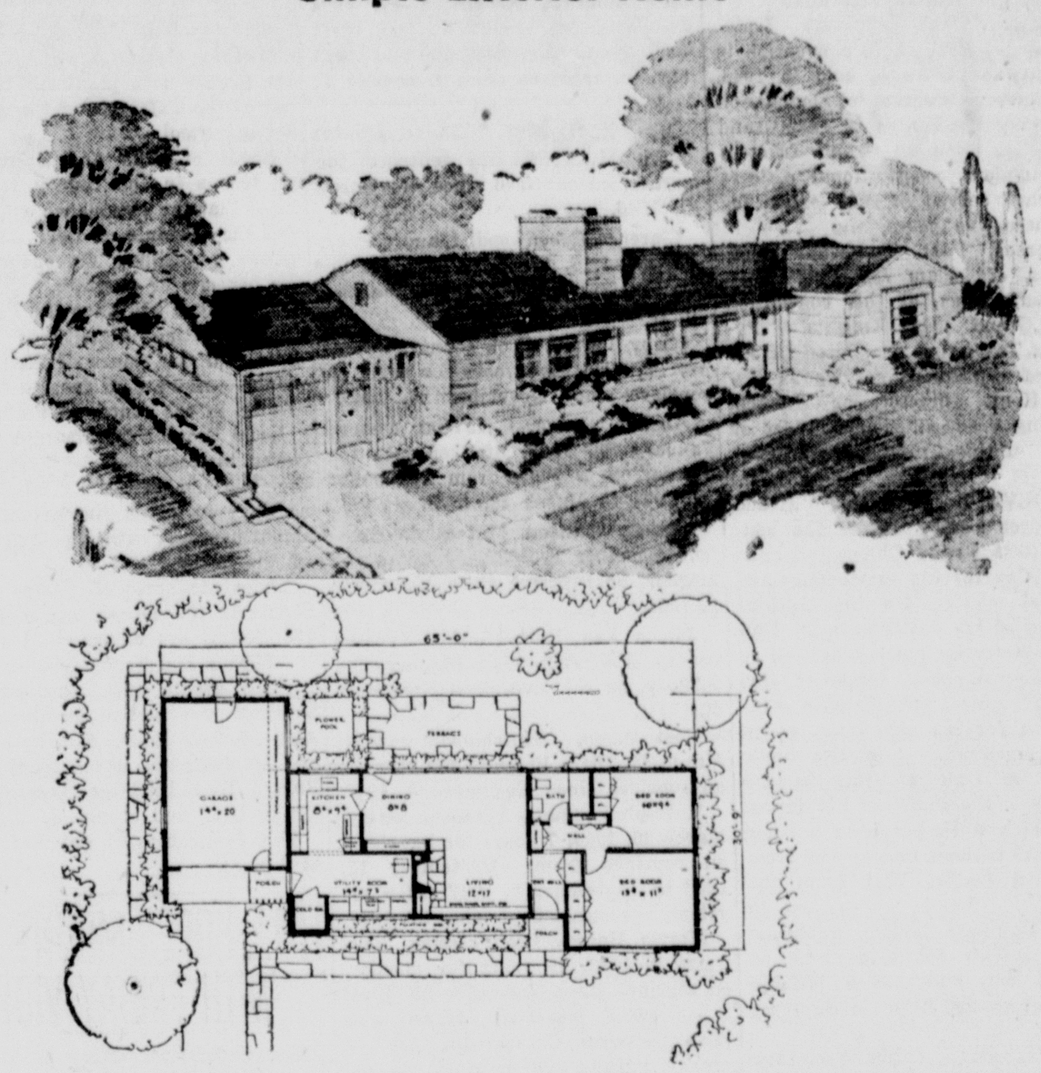
Mr. and Mrs. James L. Coleman and Betsy Ann spent the past week

Mrs. William Henderson of Waco has concluded a few weeks visit here with her daughter and family, Mr. and Mrs. C. W. Bradbury.

Mrs. Ed Cartwright and daughters of Bastrop spent Mother's Day with Mrs. Alice Brashear of Cameron.

F. A. Marek and daughter, Olga and Mr. and Mrs. Joe Petrey were in Temple Monday evening where they attended the prayer service for Rev. Jos. Hegar who died in that city Sunday evening. The services were held at the Czech Moravian church. Rev. Hegar was a close friend of the Marek family. Funeral services were held at West, Texas Tuesday at 2 p. m.

Simple Exterior Home



The exterior of this home has been designed with simplicity. The long ledgerock faced flower box and low roof lines accent the horizontal feeling. A beautiful fireplace, built-in cabinets, book shelves and china-buffet are features of the L-shaped living-dining area. The compact kitchen and laundry arrangement provides free floor area for children's activities. The cold room could be an extra lavatory if desired. The house comprises 970 square feet, excluding garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for $2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he seems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifications of the dwelling shown above can be obtained for $5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

WORLD'S SMALLEST
HEARING AID

The NEW 1948 Beltone Mono-Pac is just that. With the MAGIC SILVER CIRCUIT that combines 45 component parts into one. The WORLD'S SMALLEST RECEIVER, hardly visible in the ear! and yet, with 2 to 6 times more power (controlled sound pressure), has increased the performance of the NEW Beltone. Saves batteries because your aid operates on less volume. If you hear, but do not understand conversation be sure to see this equipment. A Liberal trade allowance on your old aid.

Mr. O. D. Sanders who has had over 6 years experience fitting hearing aids in central Texas will demonstrate this equipment next week in Temple at the KYLE HOTEL on TUESDAY, May 18th from 10:00 a. m. to 6:00 p. m. and at the BLAZILMAR HOTEL in TAYLOR on WEDNESDAY, May 19th from Noon to 6:00 p. m. If you are unable to come to the hotel, write or phone for an appointment in your home. A FREE illustrated booklet for all those who see this equipment.

Did you know that . . .

Few traffic jams are caused by people rushing to buy things they see advertised on billboards

Likewise some business men learn how to relax. Others never learn how to do anything else.

It's no use. The facts are too well established. There is no substitute for Newspaper Advertising. Put it to the test. This is a challenge not only to your own business but to your community as a retail merchandising center.

An advertising budget is like an employee. You pay him to work. You can't hire a good man for $20 a month.

PYTHIAN HONORS ARE CONFERED ON M. G. COX

M. G. Cox, Cameron attorney and prominent Pythian, was given honors at the convention in Temple when the state body confered on him the title of Past Grand Master.

The following resolution was unanimously passed by a standing vote, a signal tribute to Mr. Cox:

Whereas, the Supreme Lodge Knights of Pythias, in convention in the City of Chicago, held in 1944, did enact or "agree to" legislation conferring the honors of Past Grand Chancellor upon all Grand Trustees or equivalent constitutional officers who have served in such office for 15 consecutive years, and

Whereas, Past Chancellor Mose G. Cox, of Milam Lodge No. 125, Cameron, Texas, at this convention of the Grand Lodge Knights of Pythias of Texas, has completed fifteen years of continuous service as Pythian Home Director, or Trustee, and being a constitutional officer or member of this Grand Lodge; therefore be it

RESOLVED, that this Grand Lodge does hereby confer the honors of Past Grand Chancellor upon Brother Cox for his outstanding and sacrificial service for the faithful discharge of his duties as a Pythian Home Director or Trustee, as well as a guardian of the funds of this Shrine of Texas, and likewise commend him for his able guidance in making investments of the funds which from time to time became necessary in the course of his duties, all of which work has been a labor of love and without recompense from this Grand Lodge. That from the depth of our hearts we express to Brother Cox our lasting gratitude and will be his debtor as long as life shall last, and that a suitable jewel be purchased from the Supreme Lodge.

Theo Yarbrough, Grand Secretary
Jack Pope, Grand Chancellor
Linwood J. Robinson, Home Board
Herman Weber, Home Board
W. T. Bradbury, Home Board.

SON TO THE STUBBS

Mr. and Mrs. Charles Stubbs, Sr. of Milano are the proud parents of a baby son, Charles Stubbs, Jr. born May 10, 1948 at the Newton Memorial Hospital. He weighed four pounds and 10 ounces. Mrs. Stubbs is the former, Mary Beth Cloud.

A. Adam of Houston visited friends in Cameron the past Sunday.

Seaton Convicted; Gets Jail Sentence

Roy Seaton was convicted in District Court here Tuesday and given a jail sentence of 6 months.

Seaton was charged with assault with a prohibited weapon in connection with the wounding of William Dorham a negro on March 14 this year. The shooting occured on West 8th street in Cameron on Sunday afternoon after the men had engaged in an exchange of words at a negro bar.

The case went to the jury around 3 p. m. and the jury reported at 9 p. m. The record discloses that Seaton had been convicted in the courts here 18 times and at one time served 3 days in jail and paid a fine of $25 for cutting another man with a knife.

County Attorney Bill Morrison, vigorously prosecuted Seaton and obtained a conviction Tuesday. He was defended by Ed Gunn, former county attorney.

CAMERON, TEXAS

FIELD MEET TO BRING SPIRITED COMPETITION

Boy Scout Troops in Milam county are pointing to an afternoon of good entertainment and spirited competition in the Field Meet to be held in Cameron Saturday, May 15.

The schedule of activities have been built around the stadium at Yoe High School and a Court of Honor will be one of the main attractions.

The Cameron Committee has made elaborate arrangements to entertain the Scouts with plans for their supper at the Cafeteria of the Ada Henderson school.

Scout officials and Sponsors for all troops in the county have indicated that the attendance will be good and the schedule of field events will insure a thrilling demonstration of the benefits of scouting.

Spectators will have the advantage of the seating capacity of the stadium and the Court of Honor ceremonies will be held from a platform erected in the center of the field.

Local Scout Officials said that ice water in kegs will be available on the field and everything possible will be done to make the arrangements commensurate with the importance of the event.

There are some 10 troops of Boy Scouts in the county and more than 100 Scouts are expected in addition to officials and Troop Leaders.

Field events will include: Fire building and string burning; First Aid; Obstacle Relay, Fire by Friction and by Flint and Steel, Knot Tieing Relay, Tent Pitching, Cooking, O'Grady Drill and others.

The Program will get under way at 3 p. m.

TITLE HOPES MOUNT WITH FRIDAY VICTORY

The undefeated Cameron Yoemen kept their hold on the District 23-A baseball lead here Friday afternoon by blanking second-place Rosebud 2-0, and cinched at least a tie for the loop championship.

Cameron is two full games ahead with two games left on its schedule.

Cameron scored its first run on a four-hit cluster in the first frame, with Center Fielder Louis Absnaider doubling in the runner.

The other Yoemen counter was chased in in the fourth. Pitcher Bobby Wilkerson doubled in a runner who got on base via the error route.

Wilkerson, who set the visitors down with four hits, batted 1.000 with two doubles and a single in three at bats.

Leon Entrop handled the losers' rubber, and was touched for eight hits.

A good crowd saw the Panthers drop their second game to sink to a second-place tie with Killeen.

Cameron plays Taylor, the district cellar-dweller, Tuesday and then will wind up its season in Killeen May 14.

Grasshopper Plague Heavy Here; Formula Given For Killing

The grasshopper infestation is extremely heavy in Milam County states J. W. Stufflebeme, Jr., County Agent, and farmers are urged to carry out their control measures while the hoppers are small.

At the present time, the small grasshoppers are feeding on weeds and grasses bordering cultivated fields. However, as soon as this vegetation becomes dry the insects will invade the fields and feed on crops. Dusting and baiting should be done before the hoppers leave the fence rows and pastures.

The county mixing station is located at the C. W. Hudson service station on the Waco highway across from the Cameron Airport. Approximately 22,000 lbs. of mixed bait materials have been distributed to Milam County farmers through May 7. Farmers are requested to bring empty sacks when they call for the poison.

Several new insecticides have given excellent results for control of grasshoppers when used as a dust or spray. These materials, Toxaphene, Benzene hexachloride and chlordane, are available to farmers through local dealers. Information on the proper use of these poisions is available at the county agent's office.

1st. Lt. Charles Sprott of San Antonio visited his mother over the week end. While here he took a friend for an airplane trip, and was very much pleased with Cameron's airport. Lt. Sprott has re-inlisted in the service, but does not know where he will be stationed. He served during the late world war as a pilot of the C-47 and served in Greece and Italy.

Mr. and Mrs. Cecil Williams spent Sunday with Mr. and Mrs. John Miller of Milano.

Milam Drug Company Serves Breakfast To Firemen Friday

Milam Drug Company came to the rescue of Firemen on Friday as they battled the flames that destroyed the Milam Theatre and the Palace of Sweets.

Manager Dunn of the drug store served the firemen coffee and when they could break away from the fire served them breakfast free.

This fine courtesy on the part of Mr. Dunn was greatly appreciated

SIEBMAN IS SECURITY BOND LOAN CHAIRMAN

Henry Siebman, District Manager for the Texas Power & Light Company here, has volunteered to serve as Chairman for Milam county for the Security Loan under the U. S. Treasury Department.

Mr. Siebman, a director of the Chamber of Commerce, accepted the place last night as the matter of co-operating with the Treasury Department, was discussed.

The quota for the county is $140,000. The loan period will end on June 30. No active canvas will be made. The people are urged to buy bonds. Banks and Post Offices will no doubt co-operate and report sales so the quota progress may be clocked.

The Firemen will appreciate very much the thoughtfulness of Mr. and Mrs. Zalesky.

Mr. and Mrs. Clayton Miller and daughter of Houston visited Mrs. Jim York Sunday.

The Charlie Shaffer Home Near Belmena Destroyed By Fire

The home of Charlie Shaffer at Belmena was destroyed by fire Sunday afternoon.

The house was located on the M. B. Shuffield farm. The origin of the fire is believed to have come from an oil stove in the home. At the time of the fire no one was at home.

Mr. and Mrs. Shaffer have one child. The home and contents were totally destroyed. Friends are assisting them and anyone who wishes may send them contributions, either cash or household goods or clothing. It will be greatly appreciated. The Herald will be glad to receive and forward to them any contribution.

Friends will regret to learn that M. N. Tate is a surgery patient in St. Edwards Hospital.

Mr. and Mrs. V. Hall of Houston visited in Cameron Sunday and attended the bedside of Mrs. Wall's mother, Mrs. John Ermis, who is a patient at St. Edwards Hospital.

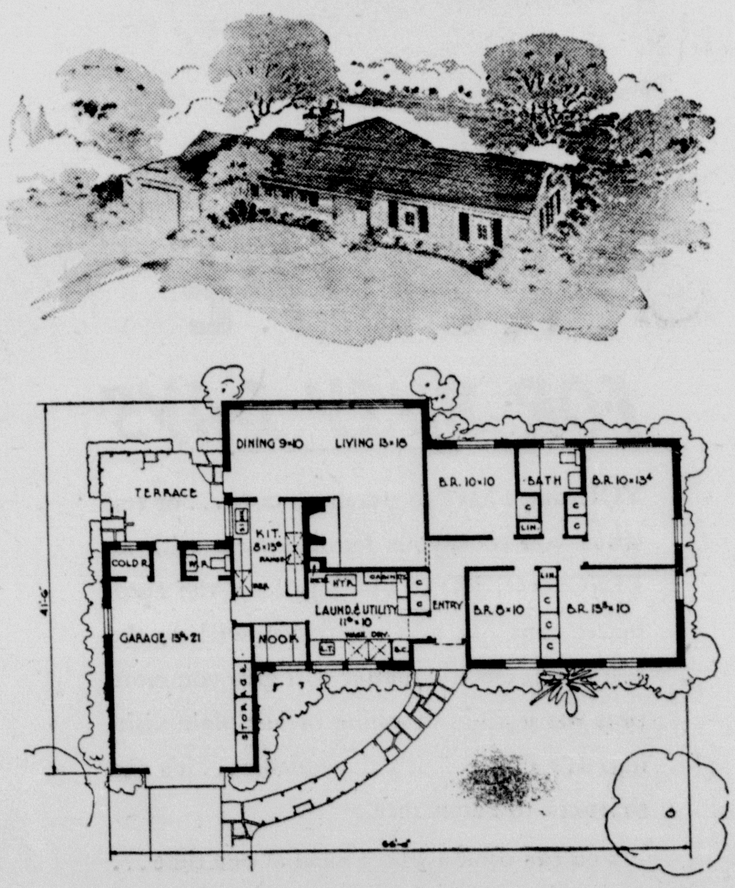
Four Bedroom Home



A compact one floor house with four bedrooms is ideal for a large family of modest means. Careful study should be given the plan to discover the convenience provided. Fourteen storage wall closets plus the built-in kitchen and laundry storage space is of special interest. The built-in nook, the cold room, and wash room in the garage and space in the laundry for a playpen are needed in a large family. The house comprises 1444 square feet, excluding garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for $2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifiactions of the dwelling shown above can be obtained for $5 per set by writing House Beautiful Magazine, 572 Madison Avenue. New York City 22 New York.
